

Ruby On the Morning

Brewer & Shipley

Ruby she comes on the morning
Like sun through the wind she arrives
My living started when she became a part of my life

Sadly adrift on the river
My thoughts being quite out of rhyme
Ruby appears and she banishes the years from my mind
La la la la la la La la la la la la la la la

Ruby's alive and she loves her life away
Ruby she laughs and she loves and she lives in the spring
Ruby she comes on the morning
Like sun through the wind she arrives
My living started when she became a part of my life

My living started when she became a part of my life
La la la la la la La la la la la la la la la
