

You Only Live Twice

John Barry

You only live twice, or so it seems
One life for yourself, and one for your dreams
You drift through the years and life seems tame
Till one dream appears and love is its name
And love is a stranger who'll beckon you on
Don't think of the danger or the stranger is gone
This dream is for you, so pay the price
Make one dream come true, you only live twice
And love is a stranger who'll beckon you on
Don't think of the danger or the stranger is gone
This dream is for you, so pay the price
Make one dream come true, you only live twice
