Picture (Kid Rock & Cheryl Crow Tribute)

I could take a picture
Of you and me together
No one would believe me
No one would believe me
Say it in a whisper
That baby it don?t get much better
Would I like to see you again?
You name the day
And I will pick the city
We?ll fly away
Til then, call me when you miss me
If you?re asking if I?d really like to see you again
I say, oh just say when
Tell me that you feel it
This you and me together
No one would believe me
Even I cannot believe it
You kiss me like you mean it
Oh baby, it don?t get much better
Would I like to see you again?
Darling just say when

You name the day
And I will pick the city
We?ll fly away
Til then, call me when you miss me
If you?re asking if I?d really like to see you again
I say oh?just say when
Two different worlds
I thought they?d keep us apart
I?m ignoring my head
Follow my heart
Oh you pick the day
And I will pick the city
We?ll fly away
Till then, call me when you miss me
I am willing to wait
Cause I just gotta see you again
Don?t ask, no. just say when

Just say when
I could take a picture
Of you and me together
No one would believe me
No one would believe me.
