Patterns

Tiger Lou

Can you see the marks in me
Please tell me what they mean
I think I might have seen this in a dream
Patterns and circles, letters and dots

I'm tired of drinking but cannot stop
The smoke really lingers in this place I know
On and on and on always
My death will be the end of this

Go on and leave your mark
I think I might have seen this in a film
On and on and on always
Before I fall I wanna taste it all
