

That's What I Want for Christmas

SHeDAISY

When you said yesterday
That it's nearly Christmas
What did I want and I thought
Just love me, love me, love me
That's what I want for Christmas
When I walk through a room
Let them see you need me
Walk through a room
Let them see you love me, love me, love me
That's what I want for Christmas
Anyone can wish for all the trinkets in the window
Some can even buy the things they see
But the presents that I want
(I want) You'll never find in any window
Bring me love and bring it just for me
(For me) When you come home at night
Take me in your arms and hold me
Kiss me, and say you love me, love me, love me
That's what I want for Christmas
Da doo da doo, hoo hoo hoo
Love me, love me, that's what I want
That's what I want for Christmas, yeah
Anyone can wish for all the trinkets in the window
Some can even buy the things they see
But the presents that I want
(I want) You'll never find in any window
Bring me love and bring it just for me
(Just for me) When you come home at night
And take me in your arms
And you hold me, and you kiss me
And say you love me, love me, love me
That's what I want for Christmas
Hold me, kiss me
(Hold me, kiss me)
That's what I want for Christmas
