Don't Stop

Brazilian Girls

Don't stop, don't stop, no
Just keep on goin'
Until I come, until I come in
Don't stop, don't stop, no
Just keep on goin'
Until I come, until I come inPlayin' hard to get when we're together
Hard to get there on your own
When will you ever come to conscience
I'll let you be aloneYou never had it better
Than when I was with you, baby
Scumback to earth
Let's drink some tea and smoke some herbDon't stop, don't stop, no
Just keep on goin'
Until I come, until I come in
Don't stop, don't stop, no
Just keep on goin'
Until I come, until I come inNow I know it takes three balls to juggle
Fifty cents of humor's worth
When and how did I become my mother
Am I getting on your nerves?Let's just not talk about it
And fill the blanks with space
Go to the park later
Get some ice creamDon't stop, don't stop, no
Just keep on goin'
Until I come, until I come in
Don't, don't
Just keep on goin'
Just keep on goin'La la la
La la la
La la laDon't stop, don't stop
Just keep on goin'
Until I come, until I come in, stop
