Society

Cortney Tidwell

It's a mystery to me
We have a greed with which we have agreed
You think you have to want more than you need
Until you have it all you won't be freeSociety, you're a crazy breed
I hope you're not lonely without meWhen you want more than you have
You think you need
And when you think more than you want
Your thoughts begin to bleedI think I need to find a bigger place
'Cause when you have more than you think
You need more spaceSociety, you're a crazy breed
I hope you're not lonely without me
Society, crazy indeed
I hope you're not lonely without meThere's those thinking more or less, less is more
But if less is more how you're keeping score?
Means for every point you make your level drops
Kinda like it's starting from the top, you can't do thatSociety, you're a crazy breed
I hope you're not lonely without me
Society, crazy indeed
I hope you're not lonely without meSociety, have mercy on me
I hope you're not angry if I disagree
Society, crazy indeed
I hope you're not lonely without me
