

# Forever Mine Nevermind

## The Band Perry

The airline lost my luggage and the governor lost my vote  
My best friend lost her innocence in her boyfriend's rowboat  
Your mother lost her favorite pearls, the ones that you gave to me  
Oh, I lost them when I tossed them on the day that you lost me Forever mine, forever mine oh my  
You saved my life, you said forever (Forever!)  
Never (Never!) I broke my bedroom mirror and it broke my luck in two  
Then my brothers broke the bad bad news, that you broke the truth  
So I smashed my right hand open, when I smashed the nose on you  
'Cause you smashed my heart when you did what you said you'd never do Forever mine, forever mine oh my  
You saved my life when, you said forever (Forever!)  
Never (Never!) Mine, nevermind  
You must have lost your mind  
When you said forever, you could do better (Never!) Oh I'll forget the day, I saw your face  
I lost my way, I trusted you, I trusted all your lovely words  
They were a curse, you piece of dirt,  
Ooh I trusted you, I trusted you, I trusted you Forever  
Forever mine, forever mine oh my  
You saved my life,  
You said forever (Forever!)  
Never (Never!)  
Mine, nevermind  
Did you lose your mind?  
'Cause you said forever, you could do better  
Never! Forever is a long long time  
No  
Forever mine The South lost the battle and children lose their youth  
The best day of my life was on the day that I lost you
