

Simon Says

Clawfinger

You say destiny decided what was meant to be
I say I decide myself, what's to become of me
Simon says there's not a chance we'll ever get along
None of us say anything but we both think he's wrong You say we can't choose the path of life we walk upon
I say I already know which path I'm walking on
Simon says to both of us, we're not allowed to move
None of us say anything but we both disapprove Simon says
Simon says
Simon says
Simon says
Simon says You say we can't change the world if it can't change itself
I say I can't change the world before I change myself
Simon says we're not allowed to change the world we see
None of us say anything but we both disagree Simon says
Simon says
Simon says
Simon says
Simon says Simon says
Simon says
Simon says
Simon says
Simon says Simon says
Simon says
Simon says
