

Looking For Satellites

David Bowie

Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, can't stop
Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, can't stop Where do we go from here?
There's something in the sky
Shining in the light
Spinning and far away Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, can't stop
(Satellite)
Nowhere, Shampoo, TV, Combat
(Satellite)
Boyzone Slim tie, Showdown, can't stop
(Satellite)
Nowhere, Shampoo, TV, Combat
(Satellite)
Boyzone
Slim tie, Showdown, can't stop Looking for satellites
Looking for satellites Where do we go to now?
There's nothing in our eyes
As lonely as a moon
Misty and far away Nowhere, Shampoo, TV, Combat, Boyzone
Slim tie, Showdown, can't stop
(Satellite)
Nowhere, Shampoo, TV, Combat
(Satellite)
Boyzone Slim tie, Showdown, can't stop
(Satellite)
Nowhere, Shampoo, TV, Combat
(Satellite)
Boyzone
Slim tie, Showdown, can't stop Looking for satellites
Looking for satellites Satellite, satellite
Satellite, satellite Looking for satellites
Looking for satellites Where do we go from here?
