

# The Days

[Avicii](#)

Under the tree where the grass don't grow  
We made a promise to never get old  
You had a chance and you took it on me  
And I made a promise that I couldn't keep  
Heart ache, heart break  
All over town  
But something flipped like a switch when you came around  
And I'm in pieces, pick me up, and put me together  
These are the days we've been waiting for  
Days like these you couldn't ask for more  
Keep 'em coming  
'Cause we're not done yet  
These are the days we won't regret  
These are the days we won't forget  
These are the days we've been waiting for  
Rattle the cage and slam that door  
And the rhythm is calling us as we're not just yet  
These are the days we won't regret  
These are the days we won't forget  
Out on the midnight  
The wild ones howl  
The last of the last boys have thrown in the towel  
We used to believe we were stars aligned  
You made a wish and I fell out of time  
Time flew, cut through  
All over town  
You make me bleed when I look up  
And you're not around  
But I'm in pieces, pick me up, and put me together  
These are the days we've been waiting for  
Days like these you couldn't ask for more  
Keep 'em coming  
'Cause we're not done yet  
These are the days we won't regret  
These are the days we won't forget  
These are the days we've been waiting for  
Neither of us knows what's in store  
You just roll your window down and place your bets  
These are the days we won't regret  
These are the days we'll never forget  
And these are the days  
And these are the days
