Destination Unknown

Sash!

Life is so strange when you don't know
How can you tell where you're going to
You can't be sure of any situation
Something could change and then you won't knowAsk yourself where do we go from here
It seems so all to clear
Just as far beyond as I can see
I still don't know what this all means to meTell yourself I have nowhere to go
I don't know what to do
And I don't even know the time of day
I guess it doesn't matter any wayLife is so strange destination unknown
When you don't know your destination
Something could change it's unknown
And then you won't know destination unknownLife is so strange destination unknown
When you don't know your destination
Something could change it's unknown
And then you won't know destination unknownYou ask yourself when will my time come
Has it all been said and done
I know I'll leave when it's my time to go
Till then I'll carry on with what I knowLife is so strange destination unknown
When you don't know your destination
Something could change it's unknown
And then you won't know destination unknownLife is so strange destination unknown
When you don't know your destination
And something could change it's unknown
And then you won't know destination unknownLife is so strange
Life is so strange
Life is so strange
Life is so strangeLife is so strange
Life is so strange
Life is so strange
Life is so strange
