Kissed By the Devil

Blackfield

I think it's over now
We always knew
The butterflies have gone
I get so cruelSome sorry lover
Kissed the devil
And was speaking of you
It's easy to be lost
And to be found by you
I think it's over now
We always knew
The butterflies have flown
You get so cruelGive me back now, give me back what I was getting from you
You left me???When she goes away I think of her
But when she goes away I think of herI think it's over now
We always knew
The butterflies have gone
We get so cruel
Some sorry lover
Kissed the devil
And was speaking of you
It's easy to be lost
And to be found by you
