

# A Loverless Bed [Without Remission]

Sufjan Stevens

Such a shame that I can't get over this;  
Put the axle on and roll again. Such a Saturn eye will close again;  
Watching every ring turning again. And I close my eyes  
To everything you've rearranged.  
And I close my mind  
To everything you've kept the same.  
Put the axle on and roll again. Cannot keep you in my bed again;  
Wake up every time, leave your space again.
