

# Love Is Blind

## Eve

Hey, yo I don't even know you and I hate you  
See all I know is that my girlfriend used to date you  
How would you feel if she held you down and raped you?  
Tried and tried, but she never could escape you  
She was in love and I'd ask her how? I mean why?  
What kind of love from a nigga would black your eye?  
What kind of love from a nigga every night make you cry?  
What kind of love from a nigga make you wish he would die?  
I mean shit he bought you things and gave you  
diamond rings  
But them things wasn't worth none of the pain that he brings  
And you stayed, what made you fall for him?  
That nigga had the power to make you crawl for him  
I thought you was a doctor, be on call for him  
Smacked you down 'cause he said you was too tall for him, huh?  
That wasn't love, baby girl you was dreamin'  
I could have killed you when you said  
Your seed was growin' from his semen  
Love is blind  
And it will take over your mind  
What you think is love, is truly not  
You need to elevate and find  
Love is blind  
And it will take over your mind  
What you think is love, is truly not  
You need to elevate and find  
I don't even know you and I'd kill you myself  
You played with her like a doll and put her back on the shelf  
Wouldn't let her go to school and better herself  
She had a baby by your ass and you ain't givin' no help  
Uh-huh big time hustler, snake motherfucker  
One's born everyday and everyday she was your sucker  
How could you beat the mother of your kids?  
How could you tell her that you lover her?  
Don't give a fuck if she lives  
She told me she would leave you, I admit it she did  
But came back, made up a lie about you missin' your kids  
Sweet kisses, baby ain't even know she was your mistress  
Had to deal with fist fights and phone calls from your  
bitches  
Floss like you possess her, tellin' me to mind my business  
Said that it was her life and stay the fuck out of it  
I tried and said just for him I'll keep a ready clip  
Love is blind  
And it will take over your mind  
What you think is love, is truly not  
You need to elevate and find  
Love is blind  
And it will take over your mind  
What you think is love, is truly not

You need to elevate and find I don't even know you and I want you dead  
Don't know the facts but I saw the blood pour from her head  
See I laid down beside her in the hospital bed  
And about two hours later, doctors said she was dead Had the nerve to show up at her mother's house the next  
day  
To come and pay your respects and help the family pray  
Even knelt down on one knee and let a tear drop  
And before you had a chance to get up You heard my gun cock  
Prayin' to me now, I ain't God but I'll pretend  
I ain't start your life but nigga, I'm ma bring it to an end  
And I did, clear shots and no regrets, never Cops comin' in, watch me goin' to jail  
Nigga whatever my bitch, fuck it my sister  
You could never figure out even if I let you live  
What our love was all about  
I considered her my blood and it don't come no thicker Love is blind  
And it will take over your mind  
What you think is love, is truly not  
You need to elevate and find
