

# It

## Five Star

Yeah  
Love me  
Please, give it to me  
Yeah  
Love, let's go  
Shh.. turn the lights low You want it  
To feel it  
To see it  
So you got it  
You said  
It was all that you needed  
You got it Sit back  
Baby have a love come true  
Know what it's gonna make you do  
Whatever you don't want it to  
Do what you want  
I want what you do Take my hand (take my hand)  
I'll take you there  
To the stars above  
Where nobody has ever dared  
It's okay (it's okay)  
I'm near when you want  
Our love is so good  
I can feel it when you call my name You want it  
To feel it  
To see it  
So you got it  
You said  
It was all that you needed  
You got it Yeah  
Feel it  
Say it  
Shh.. turn the lights low Hold tight  
Baby, let's try something new  
That we can do the whole night through  
So baby, what you gonna do?  
Do it to me, baby  
Do what just do Just always love (just always love)  
As much we share

Inside and I do it to make  
Love me over again  
Think you should (think you should)  
'Cause you feel so good  
These feelings that you give me  
Baby, when you touch me there You want it  
To feel it  
To see it  
So you got it  
You said  
It was all that you needed  
You got it Yeah  
Can you feel it?  
Say it, want me  
Yeah  
Can you feel it?  
Shhhhhh... turn the lights low Take my hand (take my hand)  
And I'll take you there  
To the stars above  
Where nobody has ever dared  
It's okay (it's okay)  
I'm near when you want  
Our love is so good  
I can feel it when you call my name (You want it)  
(To feel it)  
(To see it)  
(So you got it) baby, turn the lights down low  
(You said)  
(It was all that you needed)  
(You got it) do it to me nice and slow (You want it)  
(To feel it) you want it  
(To see it) to feel it, to see it  
(So you got it) baby, turn the lights down low  
(You said)  
(It was all that you needed) you said  
It was all that you needed  
(You got it) do it to me right Just hold tight (you want it)  
Baby (to feel it)  
(To see it)  
The feeling's right (so you got it)  
Baby  
Do right (you said it was all)  
Baby (that you needed)  
All night (you got it)  
Mmm mmm, yeah Hold tight (you want it)

Baby (to feel it)  
(to see it)  
The feeling's right (so you got it)  
Baby  
Do right (you said it was all)  
Baby (that you needed)  
All night (you got it)  
Mmm, mmm You want it  
To feel it  
To see it  
So you got it
