

Miss California

Dante Thomas

Uh, I mean I'm just sittin' right here
Checking out this young lady right here
Baby, you hot
I mean, you sexy
Oh, my God!

Let me ask you one question
Where you from anyway? She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name She's a rich girl from the top of the food chain
Love and material things, kinda lonely
Till I met her at the Grammys, 10 mil on a diamond ring
She invites me to spend a day on the jet skis
At first it didn't mean a thing
Then she told me I'm the one that she's searched for
It was hard to believe She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name In a couple of days she had me a bracelet made
From Harry Winston's place
Went horseback up to the mountaintop
Showing me the land she's got
Well, it's all right, but something else is on your mind
Looking past all that shines, now the tears are running through
All those things are nice, but it's not why I'm here
I will wipe away your tears simply by just loving you, you She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name And there you have it
I mean she just love the way I do my bling-bling
From the ghetto to Beverly Hills, baby
Now I want everybody on the dance floor to just shake it
Man, I want you to get down 'cause we hot tonight, baby
We on fire!
Now tell these cats where you from She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay

Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name
She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name
Como esta senorita? Yeah
We got Pretty Pras up in here
We got Dante up in here
And its on like that, that's right
Now all you cats thats talking that Jeebreeze, please stop it, man
We cant take it no more
Now tell them cats where you from, baby
Come on, let 'em know
She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name
She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
Drives a Maranello, Hollywood's her favorite scene
Loves to be surrounded with superstars that know her name
She's miss California, hottest thing in west L.A.
House down by the water, sails her yacht across the bay
