

# Transcend

## Merk

You said you want it, you got it  
You said you want it, you got it I got the swag, swag for the rap, rap  
That makes you wanna move, I know you do  
But it's a fact that all I want is  
Our message to come through, you know we do Yeah, now it's the time for the Crew to rise  
Got that fire that's in our eyes  
Ain't nobody claimin' we perfect  
But the truth can no longer hide We transcend dependin' on  
How we lendin' our ears to all the pretendin'  
It's no wonder that all our legends  
Are lost in depression 'Cause if there's something on your mind  
Let me know, know, know  
You know we running out of time  
Here we go, go, go Pay no mind to those who whine  
Let 'em know, know, know  
And transcend by the divine  
Here we, here we, go Transcend  
Transcend  
(You said you want it, you got it, got it)  
Transcend You see I been around the world  
From New York to overseas  
Come back home and it just seems  
Like no one really misses me Had some friends who had my back  
Now they wanna try to front  
I'mma love 'em anyway  
No lookin' down, I'm lookin' up We got that hippity, hippity, hippity  
Hippity, hippity hop  
Won't stop 'til we get, 'til we get, 'til we get  
'Til we get, 'til we get to the top I won't deny, we got that live music that vibes  
That will make you go loco We've been through the fire, that's right  
It only helped us ignite  
A fervent passion to fight  
Why you think they signed us? That's right Can't lie, we were designed to climb  
Rely on the fact that Christ died  
Don't need lights when he's inside  
Made me bright so He can shine 'Cause if there's something on your mind  
Let me know, know, know  
You know we running out of time  
Here we go, go, go Pay no mind to those who whine

Let 'em know, know, know  
And transcend by the divine  
Here we, here we go 'Cause if there's something on your mind  
Let me know, know, know  
You know we running out of time  
Here we go, go, go And pay no mind to those who whine  
Let 'em know, know, know  
And transcend by the divine  
Here we, here we go T-t-transcend You said you want it, you got it  
Come and get it, you got it  
You said you want it, you got it  
Come and get it, you got it 'Cause if there's something on your mind  
Let me know, know, know  
You know we running out of time  
Here we go, go, go And pay no mind to those who whine  
Let 'em know, know, know  
And transcend by the divine  
Here we, here we go
