

# Crazy Angel (John Bourke Remix)

## Kill Hannah

So what's the craziest thing you've done lately? It's serious, I've got to find you  
When I start to feel this way  
You mesmerize me all the time  
And I'll hold on until tonight But that's too long  
'Cause you're an angel  
Oh, you're an angel My crazy angel  
My crazy angel So serious I've got take you home again tonight  
'Cause right now you paralyze me with your smile  
As your wings discard the feathers on the ground  
I see a halo, oh, up above you My crazy angel  
My crazy angel I'll hold on so hard and pray  
That I won't say something wrong  
I'll look at the stars and dream  
That the universe was ours My crazy angel So what's the craziest thing you've done lately? I'll hold on so hard  
and pray  
That I won't say something wrong  
I'll look at the stars and dream  
That the universe was ours It won't ever stop, my crazy angel My crazy angel  
My crazy angel  
My crazy angel  
My crazy angel  
My crazy angel
