You're The Only One That's Real

2Gether

When you kiss me, are you breathless?
When you touch me, do you fall apart?
Do you shiver when you dream?
Is there a pounding in your heart?When I talk do you hear?
When I cry do you care?
When I wake up in the morning
Do you want me there?I want you to know me
I want you to hold me
To know who I am, what I want
When I feel you're the only one that's realI want you to know me, I want you to hold me
'Cause when we kiss
When we touch, all I know
You're the only one that's realWhen you call me, are you smiling?
When you leave me, does it make you sad?
Is there an emptiness you feel?
When we're together are you glad?In my silence you told me
If I'm crazy console me
'Cause in each other's arms
Is where I wanna stayI want you to know me
I want you to hold me
To know who I am, what I want
When I feel you're the only one that's realI want you to know me, I want you to hold me
'Cause when we kiss
When we touch, all I know
You're the only one that's realYou're the only one that's real
The only oneI want you to know me
I want you to hold me
To know who I am, what I want
When I feel you're the only one that's realI want you to know me, I want you to hold me
'Cause when we kiss
When we touch, all I know
You're the only one that's realI want you to know me
I want you to hold me
To know who I am, what I want
