Booty, booty, booty, booty, rockin' everywhere
Booty, booty, booty, booty, rockin' everywhere
Booty, booty, booty, booty, rockin' everywhere
Rockin' everywhere, rockin' everywhere I found you Ms. New Booty
Get it together and bring it back to me
Hit the playa's club for about a month or two
Put his hand on it then see what it do I found you Ms. New Booty
