

Yours To Keep

Teddybears STHLM

Won't you call my private number?
We can go away for the summerWe can drive around with the top down
Stereo turned up loud with a fat sound
'Cause I'm yours to keep if you want toBut I hear that you wanna ditch me
But you know I'm not such a bad seedWe can drive around with the top down
Stereo turned up loud with a fat sound
'Cause I'm yours to keep if you want to
'Cause I'm yours to keep if you want toWe can have some fun with an ear drum
We can bang away on the tom tomWe can drive around with the top down
Stereo turned up loud with a fat sound
'Cause I'm yours to keep if you want toWon't you come on down to the freak show?
He can sit along as my hair growsWe can drive around with the top down
Stereo turned up loud with a fat sound
'Cause I'm yours to keep if you want to
'Cause I'm yours to keep if you want to
'Cause I'm yours to keep if you want to
