

Say You Will (Bonus)

Evanescence

It's taking you too long to decide
And I don't want to be the one, the one
Crying over wasted time If you think you're strong enough to let me in
Then come on, stand up and be honest, be honest
I'm tired of feeling so alone
'Cause you won't let me understand
I don't wanna pretend, I wanna feel, I want to love Say you will or say you won't
Open your heart to me
Now or never, tell the truth
Is this real, is this real? Whenever you're around, I can't fight it
You get under my skin the way that I like it
And I can't take anymore
Tell me what you want from me or leave me alone
'Cause I'm all caught up and I'm losing control I'm tired of holding on so tight
When you won't let me understand
Now I'm falling apart
I never meant to lose myself Say you will or say you won't
Open your heart to me
Now or never, tell the truth
Is this real, is this real
Say you will or say you won't
Open your heart to me
Now or never, tell the truth
Is this real, is this real? Like drops of rain against my heart
Cut through like silver
And I want to make you feel that way
And I want to make you feel the way that I do Say you will or say you won't
Open your heart to me
Now or never, tell the truth
Is this real?
Say you will or say you won't
Open your heart to me
Now or never, tell the truth
Is this real, is this real?
