

Never Had a Dream Come True

S Club 7

Everybody's got something
They had to leave behind
One regret from yesterday
That just seems to grow with time There's no use lookin' back or wonderin'
How it could be now or might have been
All this I know but still I can't find ways
To let you go I never had a dream come true
Till the day that I found you
Even though I pretend that I moved on
You'll always be my baby I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
'Cause yesterday is all that fills my mind There's no use lookin' back or wonderin'
How it should be now or might have been
All this I know but still I can't find ways
To let you go I never had a dream come true
Till the day that I found you
Even though I pretend that I moved on
You'll always be my baby I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be You'll always be the dream that fills my head
Yes you will, say, "You will"
You know you will, oh baby
You'll always be the one I know I'll never forget There's no use lookin' back or wonderin'
Because love is a strange and funny thing
No matter how I try and try, I just can't say goodbye
No, no, no, no I never had a dream come true
Till the day that I found you
Even though I pretend that I moved on
You'll always be my baby I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be
A part of me will always be with you
