

On the Prowl

Gossip

I met a firecracker girl on the 4th of July
I'll make your momma beg and your daddy cry
I'd walk a million miles for a piece of your pie
I'm not a stranger darling, so don't you be shy I'll give you something that you'll never forget
We're gonna do it 'til we're both out of breath
Come on darling 'cause you're making me wet
So give me something that I haven't had yet I'm gonna treat you right (just let mamma take your hand)
Ya betta hang on tight (you're gonna need it)
I'm Gonna treat you right
Gonna take you home tonight
It's gonna betta darling
Betta get it started 'cause I'll give you something that you'll never forget
We're gonna do it 'til we're both out of breath
Come on darling 'cause you're making me wet
So give me something that I haven't had yet
