

Possibly Maybe

[Björk](#)

Your flirt finds me out
Teases the crack in me
Smitten me with hopePossibly maybe
Possibly maybe
Possibly maybeAs much as I definitely enjoy solitude
I wouldn't mind perhaps
Spending little time with you
Sometimes, sometimesPossibly maybe, probably love
Possibly maybe, probably loveUncertainty excites me, babe
Who knows what's going to happen?
Lottery or car crash
Or you'll join a cultProbably maybe, possibly love
Probably maybe, possibly love, possiblyMon petit vulcan
You're eruptions and disasters
I keep calm admiring your lava
I keep calmPossibly maybe, probably love
Possibly maybe, probably loveElectric shocks, I love them
With you, dozen a day
But after a while I wonder
Where's that love you promised me?
Where is it?Possibly maybe, probably love, possibly
Possibly maybe, probably love, possiblyHow can you offer me love like that?
My heart's burned
How can you offer me love like that?
I'm exhausted, leave me alonePossibly maybe
Possibly maybe
Possibly maybeSince we broke up
I'm using lipstick again
I suck my tongue
In remembrance of you
