Home (And I'm Staying This Time)

CECILIO & Kapono

My but it's great to be back Home
the road makes me feel so alone
now everything is feeling alright
and I'm seeing my babe tonight

(Chorus)
Cause I'm Home, Home and I'm staying time
Home, Home no more crying this time
I'm Home, Home and I want you to know
That I'll never leave, I'll never leave
no babe I'm not going to go

My but It's great to see your smile
I haven't seen it for awhile
Just tell me how have you been
It's so good to see you again

(Chorus)
Cause I'm Home, Home and I'm staying time
Home, Home no more crying this time
I'm Home, Home and I want you to know
That I'll never leave, I'll never leave
no babe I'm not going to go

Come sit beside me cause I want to feel your embrace
Hold me, console me cause I won't be going anyplace
And you'll never know, you'll never know
That I miss you so

My but it's good to feel your touch
Cause your the one I'm thinking of
And just to know that you care
I don't need to go anywhere

(Chorus)
Cause I'm Home, Home and I'm staying time
Home, Home no more crying this time
I'm Home, Home and I want you to know
That I'll never leave, I'll never leave
no babe I'm not going to go
