

Formaldehyde

Haemorrhage

Bloodstained hands
Bloodstained walls
Dissecting is funnyyyyyyyy!!!
I can't stop my addiction to rot
Narcotic effluviumssss!!!
Injecting... Injecting - bursting my veins
Injecting... Injecting - organicide
Injecting... Injecting - sick and insane
Injecting... Injecting - formaldehyde!!!
Psychotic image, frenetic carnage
Splattered memberssssssss!!!
Parts of the corpses in transparent tombs
Floating foreverrrrrrrrr!!!urning stench of death!!!
Formaldehyde!!!
