

Ramblin Man

Hank Williams III

Well I'm gonna do some drinkin'
I'm gonna drink all that whiskey that I can
Hell, I'm gonna do some drinkin'
I'm gonna drink all that whiskey that I can 'Cause I'm, a drinkin' smokin'
Nighttime ramblin' kind of man Well I'm gonna do some smokin'
I'm gonna smoke all that good stuff that I can
Well I'm gonna do some tokin'
I'm gonna smoke all the best stuff across this land 'Cause I'm, a drinkin' smokin'
Nighttime ramblin' kind of man Well I'm gonna do some raisin'
I'm gonna raise all the hell that I can
Then I'm gonna do some drinkin'
I'm gonna be the loudest man in this damn band 'Cause I'm, a drinkin' smokin'
Nighttime ramblin' kind of man Hell, I'm, a drinkin' smokin'
Nighttime ramblin' kind of man
