Bulletproof Heart

Miss Derringer

Gravity don't mean too much to me
I'm who I've got to be
These pigs are after me, after youRun away like it was yesterday
And we could run away
If we could run away, run away from hereI got a bulletproof heart
You got a hollow point smile
We had our run away scars
Got a photograph dream on the getaway mileLet's blow a hole in this town
And do our talking with the laser beam
Coming out of this place in a bullet's embrace
Then we'll do it againHow can they say, Jenny could you come back home?
'Cause everybody knows you don't
Ever wanna come back, let me be the one to save youGravity don't mean too much to me
I'm who I've got to be
These pigs are after me, after youRun away like it was yesterday
When we could run away
When we could run away, run away from hereI'm shooting out of this room
Because they sure don't like the company
You stop your preaching right there
'Cause I really don't care and I'll do it againSo get me outta my head
'Cause it's getting quite cramped, you know
Coming ready or not, when the motor gets hot
We can do it againThe papers say, Johnny won't you come back home?
'Cause everybody knows you don't wanna give yourself up
Tell the truth and God will save youGravity don't mean too much to me
I'm who I've got to be
These pigs are after me, after youRun away like it was yesterday
And we could run away
And we could run away, run away from hereAnd though I know how much you hate this
Are you gonna be the ones to save us
From the black and hopeless feeling?
Will you meet 'em when the end comes reeling?Hold your heart into this darkness
Will it ever be the light to shine you out
Or fall and leave you stranded?
I ain't gonna be the one left standing?
You ain't gonna be the one left standing
We ain't gonna be the ones left standingGravity don't mean too much to me
Is this our destiny?
This world is after me, after youRun away like it was yesterday

And we could run away, run away, run away
Run away from here, yeah
Away from here, away from here
