

# Your Kind Of Lover

## Freddie Mercury

Now you say you're leaving me  
I just can't believe it's true  
You're my kind of lover  
Wanna little bit of feeling  
Add a little bit of meaning to my life  
I wanna little bit of feeling  
Little bit of sunshine to my life I wanna be your kind of lover  
Give a little bit of feeling  
Just a little bit of feeling  
Add a little bit of meaning to my life I wanna boogie down with you brother  
Boogie down with the bass man  
Win love on the grand slam  
I'll be there waiting when you call  
Da da ba bah  
Da da ba bah Just step right into my heart  
Come a little closer  
Don't tell me that it's over  
Make a brand new start  
We can work it out just next to nothing (your my kind of lover)  
Work it out work it out just next to nothing  
With feeling feeling feeling with feeling We can work it out  
Let me show you what I can do I can be your kind of lover  
We can work it out (work it out)  
Let me show you what I can do I can be your kind of lover I wanna be your kind of mother  
Let's talk about loving right  
Don't talk about doing wrong  
Put a little bit of sense into your mind  
We gotta talk it out man to man  
Make each other understand  
Right now a little happiness would be fine  
Da da ba bah  
Da da ba bah Just step right into my heart  
Come a little closer  
Don't tell me that it's over  
Make a brand new start  
We can work it out just next to nothing  
Hey work it out work it out just next to nothing  
With feeling feeling feeling with feeling We can work it out  
Let me show you what I can do I can be your kind of lover

We can work it out  
Let me show you what I can do I can be your kind of lover  
Hey your kind of lover  
Your kind of lover  
Your kind of lover
