Dreaming

Pacific Dub

Ooh ohoh
I?m dreaming, I?m dreaming
Of a place so far a-way
Yes somewhere we can take our sweet escape
Eyy ey
I?m dreaming, yes I?m dreaming
And I?m dreaming of a place
Pacific dub you know were striving to create a better world
Yes its starts one by one
Every boy and every girl
Yeah youth is on the rise
And youth is on the run
We?ve got to stop all the violence
And the shootings of the gun

I?m dreaming, I?m dreaming
Of a place so far a-way
Yes somewhere we can take our sweet escape
Eyy ey e
I?m dreaming, yes I?m dreaming
And I?m dreaming of,
I?m dreaming of a place
Where we can live without the hate
Where unity is key
And we no longer have to wait
For peace and all our warriors to be brought home unharmed
So we can go on living with our lives, so charm

With a bang bang boom
People killing, people dying
Gotta use all of my force
To stop these children from their crying
We?re on a fast track to make this world a place that I can live
My music and my livings gonna make a place where
Every day?s a new day
With the sunset on the beach`
Gotta teach our little children
Teach them of loving and being

Love and being

I?m dreaming, I?m dreaming
Of a place so far away
Somewhere we can take our sweet escape
Yes I'm dreaming, and I?m dreaming
Yes I?m dreaming of a place
Ohh yeah
