In Prison For Life

Astral Doors

In prison for life, the price to pay
For holding the knife, that gruesome day
In prison for life, I live to die
I'm in prison, in prison for lifeFacing Armageddon
Violent revelation
Why? Can't someone tell me how?
Be merciful and mild
It's terminal, there's no way back
I'm on the run, the run now, babe
Can't you see that if trueWell, I'm in prison for life, I had to pay
For holding the knife, that gruesome day
In prison for life, I live to die
Lost all my rights
I'm in prison, in prison for lifeCome here, humanizer
Blue sky, new horizons
I was crawling, I was drained
Sent shockwaves through my brain
Eternal dark, forever lostAnd oh, I'm slipping away, away now babe
Now, can't you see it's trueI'm standing alone, alone now, babe
So let me die in piece
'Cause I'm in prison for life, the price to pay
For holding the knife, that gruesome day
In prison for life, I live to die
Lost all my rights
I'm in prison, in prison for life
