Love's Gonna Live Here

Buck Owens

Oh, the sun's gonna shine in my life once more
Love's gonna live here again
Things are gonna be the way they were before
Love's gonna live here againLove's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here againI hear bells a-ringin', I hear birds a-singin'
Love's gonna live here again
I hear bee's a-hummin' and I know the days' a-comin'
Love's gonna live here againLove's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here again, love's gonna live here again
