21 Guns

Green Day

Do you know what's worth fighting for When it's not worth dying for Does it take your breath away

And you feel yourself suffocatingDoes the pain weigh out the pride

And you look for a place to hide

Did someone break your heart inside

You're in ruinsOne, 21 guns

Lay down your arms, give up the fight

One, 21 guns

Throw up your arms into the sky, you and IWhen you're at the end of the road
And you lost all sense of control

And your thoughts have taken their toll

When your mind breaks the spirit of your soulYour faith walks on broken glass

And the hangover doesn't pass

Nothing's ever built to last

You're in ruinsOne, 21 guns

Lay down your arms, give up the fight

One, 21 guns

Throw up your arms into the sky, you and IDid you try to live on your own When you burned down the house and home?

Did you stand too close to the fire

Like a liar looking for forgiveness from a stone? When it's time to live and let die

And you can't get another try

Something inside this heart has died

You're in ruinsOne, 21 guns

Lay down your arms, give up the fight

One, 21 guns

Throw up your arms into the skyOne, 21 guns

Lay down your arms.. give up the fight

One, 21 guns

Throw up your arms into the sky, you and I
