Cancer For The Cure

Eels

The kids are diggin' up a brand new hole
Where to put the deadbeat mom
Grandpa's happy watchin' video porn
With the closed caption on
And father knows best
About suicide and smack
Well, hee hee hee
Cancer for the cure
Cancer for the cure
Buckle up and endure now baby
Cancer for the cure
All blue eyes is back again
But he was never here in the first place
A heart attack may be somethin' to fear
But take a look out back
'Cause Courtney needs love
An' so do I
Well, hee hee hee
Cancer for the cure
Cancer for the cure, my baby
Buckle up and endure now sweet thing
Cancer for the cure
Cancer for the cure
Cancer for the cure, my baby
Buckle up and endure now sweet thing
Cancer for the
The cancer for the
The cancer for the
The cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
Cancer for the cure
