

# Help Me

## Johnny Cash

Oh, Lord, help me walk, another mile, just one more mile  
I'm tired of walkin' all alone  
And Lord, help me smile, another smile, just one more smile  
Don't think I can do things on my own  
I never thought I needed help before  
I thought that I could get by, by myself  
But now I know, I just can't take it any more  
And with a humble heart on bended knee  
I'm beggin' You, please for help  
Oh, come down from Your golden throne to me, to lowly me

I need to feel the touch of Your tender hand  
Release these chains of darkness, let me see, Lord, let me see  
Just where I fit into Your master plan  
I never thought I needed help before  
I thought that I could get by, by myself  
Now I know, I just can't take it any more  
And with a humble heart on bended knee  
I'm beggin' You, please for help  
With a humble heart on bended knee  
I'm beggin' You, please for help
