

# Welcome To The World (High Rankin Remix)

[Kevin Rudolf](#)

(Welcome to the world, welcome to the world)  
You got your pop star, I'll be your rock star  
When it's a suicide, you call it superstar  
Check out the forecast, predictions wont stop  
You get your fifteen, and then they take the spot  
Let's go, let's go, and then you're ready to go  
Let's go, let's go, 'cause it's the end of the show  
Let's go, let's go, so just get ready to go  
Let's go, let's go, let's go, let's go  
All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Okay, hello, welcome to the world  
She saw the bright lights, she caught the fever  
She got contagious, she never leave it  
So no more time spent and no more free shit  
In fact this free ride has reached its destination  
Let's go, let's go, and then you're ready to go  
Let's go, let's go, 'cause it's the end of the show  
Let's go, let's go, and when it's over you'll know  
Let's go, let's go, let's go, let's go  
All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Okay, hello, welcome to the world  
Let's go, let's go, and then you're ready to go  
Let's go, let's go, 'cause it's the end of the show  
Let's go, let's go, so just get ready to go  
Let's go, let's go, let's go, let's go  
All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Okay, hello, welcome to the world (to the world, to the world)  
Welcome to the world (to the world, to the world)  
Welcome to the world (to the world, to the world)  
Welcome to the world (to the world, to the world)
