Golden Dawn

Edguy

He was born into this world
Living love but he got hurt
And he sighed when he beheld
The bleeding lambBlood and tears drip on the ground
Dung the olives on the mount
Love is crucified, made way

For the greed of manThere's no way out of hereNo we don't, don't wanna take it no more No we don't, don't wanna wait foreverGolden dawn, a new age has begun

Golden dawn, in every single one

Don't you run away, don't say it's all too late

Start to ring in the age... The golden dawnKilling brothers, sick ideals, TV-Show lie and reveal Poor philistine reasons why to hate a man

It's so easy to give in, do your dirty trick and win

Join those lemmings to the shore and fly but thenDon't complain if you'll drown in the endKill to eat, when
you're the final one

There's no one to compete

Then find the time to think of a...[repeat chorus]
