

# Daydream

Avril Lavigne

La, la, laa

(La, la, laa)

Yea

La, la, laa

(La, la, laa)I coulda been the one you noticed

I coulda been all over you

I coulda been like all the others

Is that what I'm supposed to do?It woulda been really stupid

If I woulda went home with you

To give you everything you wanted

It woulda been way too soonI try to be sensitive, I try to be tough

I try to walk away, I try to be innocent

I try to be rough but I just wanna playYou're my daydream, you know that

I've been thinking about you lately

And every time I look at you

I can't explain I feel insane, I can't get away

You're my daydreamAnd you know and you know and you know, and you know

You're making me insane

And you know and you know and you know, and you know

You're doing it againIf I tell you what I'm thinking

If I let myself trust you

Can you give me what I'm missing?

Can you make my dreams come true?I try to be sensitive, I try to be tough

I try to walk away, I try to be innocent

I try to be rough but I just wanna playYou're my daydream, you know that

I've been thinking about you lately

And every time I look at you

I can't explain how I feel insane, I can't get away

You're my daydream, yeahAnd you know and you know and you know and you know

You're making me insane

And you know and you know and you know and you know

You're doing it againAnd you know and you know and you know and you know

You're making me insane

And you know and you know and you know

You're doin' it again
