Rabbits

RTi

See the light in the distance
Ten seconds from sleep
If you blink, you could miss it
Voluntarily
If it's home that you're missing,
Better call the police
Hopelessly
Lost at sea
The holes we dig
To survive
Like rabbits we run

Gonna join the resistance
Gonna tighten their leash
Try and find some persistence
Temporarily
If it's home that you're missing,
Then rev up your speed
Hopelessly
Lost at sea
The holes we dig
To survive
Like rabbits we run
Like rabbits we run x4
