

# He Wasn't Man Enough

Toni Braxton

Darkchild, oh yeah  
Toni Braxton, oh  
Yeah, uh, uh  
Darkchild yeah, listen girl Who do you think I am?  
Don't you know that he was my man?  
But I chose to let him go  
So why do you act like I still care about him? Looking at me like I'm hurt  
When I'm the one who said  
I didn't want it to work  
Don't you forget I had him first? Whatcha' thinking? Stop blaming me  
He wasn't man enough for me  
If you don't know now, here's your chance  
I've already had your man Do you wonder just where he's been? Yeah  
And I'd be worried about him  
Now it's time you know the truth  
I think he's just the man for you What are you thinking  
Do you know about us back then?  
Do you know I dumped your husband?  
Girlfriend, I'm not thinking 'bout him But you married him  
Do you know I made him leave?  
Do you know he begged to stay with me?  
He wasn't man enough for me, listen girl Didn't he tell you the truth  
If not, then why don't you ask him?  
And maybe you could be more into him  
Instead of worrying 'bout me And hopefully, you won't find  
All of the reasons why  
His love didn't count  
And why we couldn't work it out Whatcha' thinking? Stop blaming me  
He wasn't man enough for me  
If you don't know now, here's your chance  
See I've already had your man Do you wonder just where he's been? Yeah  
And I'd be worried about him  
Now it's time you know the truth  
I think he's just the man for you What are you thinking?  
Do you know about us back then?  
Do you know I dumped your husband?  
Girlfriend, I'm not thinking 'bout him But you married him  
Do you know I made him leave?  
Do you know he begged to stay with me?

He wasn't man enough for me  
So many reasons why our love is through yeah  
What makes you think he'll be good to you?  
No it makes no sense 'cause he will never change  
Girl, you better recognize the game  
What are you thinking?  
Do you know about us back then?  
Do you know I dumped your husband?  
Girlfriend, I'm not thinking 'bout him  
But you married him  
Do you know I made him leave?  
Do you know he begged to stay with me?  
He wasn't man enough for me  
What are you thinking?  
Do you know about us back then?  
Do you know I dumped your husband?  
Girlfriend, I'm not thinking 'bout him  
But you married him  
Do you know I made him leave?  
Do you know he begged to stay with me?  
He wasn't man enough for me  
What are you thinking?  
Do you know about us back then?  
Do you know I dumped your husband?  
Girlfriend, I'm not thinking 'bout him  
But you married him  
Do you know I made him leave?  
Do you know he begged to stay with me?  
He wasn't man enough for me
