Monkey's Uncle

Devo 2.0

She loves the monkey's uncle (Yeah Yeah)
She loves the monkey's uncle (Yeah Yeah)
She loves the monkey's uncle (Yeah Yeah)
And the monkey's uncle's ape for meI don't care what the whole world thinks
She loves the monkey's uncle
Call us a couple of missing links
She loves the monkey's uncleLove how these monkeys shine
Everyday, all the time
I love the monkey's uncle
And the monkey's uncle's ape for meShe loves the monkey's uncle (Yeah Yeah)
She loves the monkey's uncle (Yeah Yeah)
She loves the monkey's uncle (Yeah Yeah)
And the monkey's uncle's ape for meSee how my heart jumps like a clock
She loves the monkey's uncle
Feels like a circus just came to town
She loves the monkey's uncleI live in yo-yo dream
In order to live like a king
I love a monkey's uncle
And I wish I were the monkey's auntWhoa, whoa, whoa, whoa, whoa
What a nutty family tree
A bride, a groon, a chimpanzeeLike I say, he has monkey pride
She loves the monkey's uncle
Love how these monkey's shine
Everyday, all the time
I love the monkey's uncle
And the monkey's uncle's ape for meI love the monkey's uncle (Yeah yeah)
She loves the monkey's uncle (Yeah Yeah)
I love the monkey's uncle (Yeah yeah)
She loves the monkey's uncle (Yeah Yeah)
I love the monkey's uncle (Yeah yeah)
And I'm mad about his chimpanzee
