

Intoxicated

Lacuna Coil

Die!

Die!

Broken mirror
Seven years of stolen luck
I tried to fix you one more time
But i must let it die
The dream that we'd survive
Can't matter if i tell a lie

Set it free
Lost ambition
I only caught my place in your life
Set it free
Superstition
I gave upon this fairytale
Die!

Lie means wisdom
Cross my heart but it's a lie
I can't just going the last time
You use twain of your nine knives
I gave up all of life
Can't matter if i tell a lie

Set it free
Lost ambition
I only caught my place in your life
Set it free
Superstition
I gave upon this fairytale
Die!

In the world that i created
I'm intoxicated
In the world that i created
I'm intoxicated
In the world that i created
I'm intoxicated
In the world that i created

I'm intoxicated
In the world that i created
I'm intoxicated
In the world that i created
I'm intoxicated

Set it free
Lost ambition
And now i want look back
I've turn my back out of the ground
Set it free
Superstition
And now the air i breathe is poison free
I'm freed, unbound

Set it free
Lost ambition
I only caught my place in your life
Set it free
Superstition
I gave upon this fairytale
Die!
Die!
