

# Mouth for War

## Pantera

Revenge  
I'm screaming revenge again  
Wrong  
I've been wrong for far too long  
Been constantly so frustrated  
I've moved mountains with less  
When I channel my hate to productive  
I don't find it hard to impress

[Chorus]  
Bones in traction  
Hands break to hone raw energy  
Bold and disastrous  
My ears can't hear what you say to me  
Hold your mouth for the war  
Use it for what isn't for  
Speak the truth about me  
Determined

Possessed  
I feel a conquering will down inside me  
Strength  
The strength of many to crush  
Who might stop me  
My strength is in number  
And my soul lies in every one  
The releasing of anger can better any medicine under the sun

[Chorus]

There comes a time within everyone to close your eyes to  
What's real  
No comprehension to fail  
I vacuum the wind for my sail  
Can't be the rest  
Let others waste my time  
Owning success is the bottom line.  
Like a knife into flesh  
After life is to death  
Pulling and punching the rest of duration

No one can piss on this determination
