Rolling Stone

Sea Stone

Red One, oh, Pixie
My heart is bouncing like a hip-hop beat
Boy, this is half the drama you're causing me
But I can't decide if it's good or bad for me
For me, yeah, yeah
You say the ride was looking deep in my eyes
You give me pleasure 'cause I constantly smile
But I can't decide if it's good or bad for me
For me, yeah, yeah
But there's one thing
That you should know about me, hey
I'm not a hit you play, a one-hit wonder stone
I need a stand up guy, don't want no rolling stone
I'm not a city you visit when you're out on tour
I need a stand up guy, don't want no rolling stone
Rolling stone, rolling stone
Rolling stone, rolling stone
Rolling stone, no, rolling stone
Rolling stone, rolling stone
Rolling stone, rolling stone
Rolling stone, no, rolling stone
You got all my girlfriends are all on your side
They say go keep your cool and give it a try
But I can't decide if it's good or bad for me
For me
You keep on jumping in and out of my life
And every time it's such a beautiful ride
But I can't decide if it's good or bad for me
For me, yeah
But there's one thing
That you should know about me, hey
I'm not a hit you play, a one-hit wonder stone
I need a stand up guy, don't want no rolling stone
I'm not a city you visit when you're out on tour
I need a stand up guy, don't want no rolling stone
Rolling stone, rolling stone
Rolling stone, rolling stone
Rolling stone, no, rolling stone
Rolling stone, rolling stone

Rolling stone, rolling stone
Rolling stone, no, rolling stone
But there's one thing
That you should know about me, hey
I'm not a hit you play, a one-hit wonder stone
I need a stand up guy, don't want no rolling stone
I'm not a city you visit when you're out on tour
I need a stand up guy, don't want no rolling stone
Rolling stone, rolling stone
Rolling stone, rolling stone
Rolling stone, no, rolling stone
Rolling stone, rolling stone
Rolling stone, rolling stone
Rolling stone, no, rolling stone
Yeah
