Walking Dead

The Saturday Tea

Everybody told me,
Everybody told me that this would happen,
I didn't wanna believe, didn't wanna believe that you were right
I was so caught up, caught up in a world that I cut you out of
Now I'm hating myself, hating myself,
I never should have shut you out,
We are the walking dead
Swallow the lives were fed,
Uncover your eyes, cover your eyes,
Uncover the truth then you'll realise
Were hanging by a thread,
We are the walking dead.
It might take some time,
But I really think we should start things over
Take a look at our lives
Take a look at how f****d up we've become
In our bloodshot eyes,
All I see is pain and devestation

Now I'm hating myself, hating myself,
I never should have shut you out,
We are the walking dead
Swallow the lives were fed,
Uncover your eyes, cover your eyes,
Uncover the truth then you'll realise
Were hanging by a thread,
We are the walking dead.
Can anything bring us back to life?
I'm ready to make us right
Can anything bring us back to life?
I'm ready to make us right
'Cause further that we're falling apart
The more that it breaks my heart
We are the walking dead
Swallow the lives were fed,
Uncover your eyes, cover your eyes,
Uncover the truth then you'll realise
Were hanging by a thread,
We are the walking dead.
