

Connection

Everclear

All I want to do is get back to you
Connection, I just can't make no connection
But all I want to do is to get back to you Everything is going in the wrong direction
The doctor wants to give me more injections
Giving me shots for a thousand rare infections And I don't know if he'll let me go
Connection, I just can't make no connection
But all I want to do is to get back to you My bags they get a very close inspection
I wonder why it is that they suspect 'em
They're dying to add me to their collection I don't know if they'll let me go
Connection, I just can't make no connection
But all I want to do is to get back to you
