

No Better Love (H.B. Mix)

TQ

(Intro)

Some may come
Some may go
But all I know
Nobody gonna love you better

(Verse)

You had enough of me
I act you rocket be
I just wanna shine
At the club every night
I came home drunk
Still up till sun's up
Got a new nigga I see
But he can't do it like me

(Verse)

I know your body
He try to find it
I enter your body
From behind it
You say you want somebody next to you
That could understand
But you ever ask yourself
Could he love you like I can
Ain't no better love
Ain't no better love
Ain't no better love
Nobody gonna love you better
Ain't no better love
Ain't no better love
Ain't no better love
Nobody gonna love you better

(Verse)

It's a dilemma
The man is the winner
As bad as it gets
The trophy ain't shit
I could afford many
But that's the shame in it
I used to put it down all night

But tryin to take before and I was damn right

(Verse)

How is your body

Are you excited

You had to call me

You couldn't fight it

You say you feel embarrassed but all alone

And you need you boy

I know it's been a while

But you damn sure will enjoy

Ain't no better love

Ain't no better love

Ain't no better love

Nobody gonna love you better

Ain't no better love

Ain't no better love

Ain't no better love

Nobody gonna love you better

(Verse: Gilly the Kid)

She say she love it when it's thuggering

I told her get the oil let me rub you down

From top to bottom, Gilly massage your neck

Your body with that red light on it's such a silhouette

We soaking up the sheets we got the pillows wet

I'm going deeper and deeper shit you feel me yeah?

We on that rosay red, hop in this red mop

With your red bottoms, redo that red carpet

I get that paper shit I just can't help it

And I blow that cake I'm talking red velvet

I get you things that had your heart melt

Them other niggers man they just too selfish

And with Gilly it's a better day

It's a better night, you live a better life

Take your chance with a gangster

I swear I hold you down just like an anchor Ain't no better love

Ain't no better love

Ain't no better love

Nobody gonna love you better

Ain't no better love

Ain't no better love

Ain't no better love

Nobody gonna love you better

(Outro)

Some may come

Some may go

But all I know
Nobody gonna love you better
Just like I told you
Wherever you go
Nobody gonna love you better
