Hey Baby

Rosemary Clooney

Hey baby
I've got some talk for you
You'll find sweet thing with a good look
As I've got some talk forHey baby
You're just the type to bring
Out my attributes and my good looks
My daily ev'rythingJust take a night like this
Or any night at all
It's a good night for me to callA lovely night of bliss
On any cloud of white
Just sittin' and watching
The blues go byHey baby
What can the number be
That makes your telephone ring
I've got some talk for youJust take a night like this
Or any night at all
It's a good night for me to callA lovely night of bliss
On any cloud of white
Just sittin' and watching
The blues go byHey baby
What can the number be
That makes your telephone ring
I've got some talk-
Hey baby,
C'mon an' talk to me
C'mon baby, don't be mean
Yes, baby-
Yes, baby-
Yeah!
